## HAVE CONCLUDED TO STAY.

An Opportunity That Should Not Be

Lost To Consult the Famous

Drs. Darrin.

REMARKABLE CURES.

Through the earnest solicitation and request of their patients and others to extend their visit in Salem they have concluded to do so, and can be consulted at the Chemekete hotel until further notice.

During their practice here in this vicinity they met with great success, and proved themselves physicians worthy of confidence and of unquestionable reputation, as their cures and testimonials can be substantiated by personal investigation.

That Drs. Darrin have effected extraordinary cures after all efforts elsewhere have failed, is a fact supported by the strongest evidence. Their cures, moreover, are rapid and permanent, as the following testimonials and letters will show:

A PROMINENT LADY OF CORVALLIS, OR., RECITES HER EXPERIENCE OF DR. DARRIN.

DR. DARRIN—Dear Sir: I wish to express my gratitude to you for the wonderful results your electro-magnetic system of cure has done in my case. Two years ago I was stricken down with apoplexy. Numbness and great pain in my head and neck followed for a long time; other afflictions came thick and fast. I had chills, liver and stomach derangements, causing vomiting for weeks. In short, my whole system was thoroughly permeated with malarial poison, and continued so until I had a second stroke of paralysis. Hearing of you, I put myself under your care, and now, after three months treatment, I rejoice to tell you I am restored to health, and can be referred to at Corvallis, Oregon. If this will be of any service to you, publish it.

MRS. N. P. BRIGGS.

ANOTHER OPEN LETTER.

SEATTLE, W. T., 1888.

DES. DARRIN—Gentlemen: I now take the pleasure of writing you that after a full course of your electro-magnetic treatment I am now entirely cured of a pain in my chest, which has troubled me for over eight years. Having been under treatment of doctors of Liverpool, Glasgow, Calcutta and San Francisco, none of them did me any good until I came under your treatment, which I am sure has permanently cured me, for which, gentlemen, I beg to remain, Yours gratefully,

WILLIAM LITTLE.

DISCHARGING EAR CURED.

DR. DARRIN—Dear Sir: This is to certify that I have been under your treatment for a discharging ear, of one year's standing, and been cured by you. Refer to me at Tillamook, Or. Yours truly,

ALFRED LITCHER, Jeweler.

NERVOUS DEBILITY AND DEAFNESS CURED.

MR. EDITOR—Dear Sir: It affords me a great pleasure to certify that my daughter Tullia, who for a long time was afflicted by nervous debility, the result of a serious attack of malarial fever, followed by deafness and discharge from the ear, and who has wasted away practically to a shadow, has been fully restored to health and strength by the skillful treatment of Drs. Darrin. Those who saw her two or three weeks ago are astonished at her rapid and complete recovery. I am glad to have an opportunity thus publicly to thank these skillful physicians for their kind offices and skillful treatment. I may be referred to at No. 94, corner Fifth and Columbia streets, Portland. Mrs. S. A. WOODEN.

OFFICE HOURS AND PLACE OF BUSINESS.

Drs. Darrin can be consulted free at the Chemekete Hotel, Salem, Or., until further notice.

They will under no circumstances take a case they cannot cure or benefit. Charges are reasonable, and the poor treated free from 9 to 10 a. m. daily. Office hours from 10 to 4 daily; evenings, 7 to 8; Sundays, 10 to 12. All curable chronic diseases, loss of manhood, blood taints, syphilis, gleet, gonorrhea, stricture, spermatorrhea, seminal weakness, or loss of desire of sexual power in man or woman, catarrh or deafness, are confidentially and successfully treated. Cures of private diseases guaranteed and never published in the papers. Circulars sent free. Most cases can receive home treatment after a visit to the Doctor's office.

The Eugene papers lament that a California gambler, who left there a few days ago after a stay of two or three months, beat the Eugene boys out of about \$7,000.

In Love With His Wife.

"What can I do to regain my husband's love?" writes Mrs. Carrie R. of Toronto. She adds that seven years ago she was married under the most happy auspices and until six months since happiness crowned her domestic life; then her husband became distant in his manner toward her, until now he is positively cold. Mrs. R. gives no particulars but if she is afflicted with diseases peculiar to her sex, if her cheeks have lost their bloom, and her eyes their sparkle it may explain the cause of her complaint. In this event Dr. Pierce's Favorite Prescription will effect a magical change and restore her to health. As a powerful invigorating tonic, Dr. Pierce's Favorite Prescription imparts strength to the whole system, and to the womb and its appendages, in particular. For overworked work-out, run-down, debilitated teachers, milliners, dressmakers, seamstresses, shop girls, housekeepers, nursing mothers, and feeble women generally, "Favorite Prescription" is the greatest possible boon, being unequaled as an appetizing cordial and restorative tonic.

Important Events of the Whole World for Twenty-four Hours.

## The Duty on Sugar.

WASHINGTON, Dec. 12.—Representative Felton has secured a promise from the senate finance committee to give the California delegation a hearing on the reduction of the sugar tariff in the senate bill. Mr. Felton proposes to present to the committee a statement of the condition of the beet sugar industry in California. He will endeavor to show that the development of that industry thus far proves conclusively that the making of beet sugar from beets will be a great success in California, and will be one of the great industries of that state. He will maintain that the reduction of the tariff on sugar, as contemplated in the senate bill, will check and may destroy the infant industry of making sugar from beets. It is probable that the entire California delegation will appear before the committee and urge the same arguments and protest against a reduction of the duty on sugar.

## Another Cable Line.

OTTAWA Ont., Dec. 19.—It is understood that a company is being formed with a capital of about \$2,000,000 to undertake the laying of a telegraph cable from Blanc Sablé, at the Straits of Bell Isle, to a point on the coast of Scotland or Ireland. The Dominion Government, it is said, have received from a London company an offer to lay a cable from Halifax to Blanc Sablé for \$100,000, and it is probable that the necessary grant of money to enable them to accept the offer will be asked for at the coming session of Parliament.

## Against Polygamy.
